**OBJECTIVES** — This program is designated for practicing surgeons involved in the care of patients. It's meant to provide an update regarding treatment in general and subspecialty surgical practice, and to enhance the knowledge of participants in these areas. The program is intended to meet the needs of surgeons in clinical practice for up to date information on the latest techniques in general and specialty surgical areas and to provide a means for surgical students and researchers to report the results of their research.

**ACCREDITATION** — The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. **CME Credit** — The American College of Surgeons designates this live activity for a maximum of **18.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**MEETING INFORMATION** — MEETING REGISTRATION FORM ENCLOSED. COMPLETE AND MAIL TO: SCCACS, 1970 EAST GRAND AVENUE, SUITE 330, EL SEGUNDO, CALIFORNIA 90245. CALL 310.364.0193 FOR MORE INFORMATION; FAX TO 310.364.0196; OR EMAIL TO: JDOWDEN@PRODIGY.NET.

REGISTRATION FORM AND PAYMENT IN FULL MUST BE RECEIVED BY DECEMBER 31, 2011, IN ORDER TO QUALIFY FOR THE EARLY BIRD REGISTRATION FEES. REGISTRATION FORMS RECEIVED AFTER THAT DATE WILL AUTOMATICALLY BE CHARGED THE HIGHER LATE FEE. ALL PARTICIPANTS, AUTHORS AND PRESENTERS ATTENDING THE MEETING MUST REGISTER. PROGRAMS AND NAME BADGES WILL BE DISTRIBUTED ON SITE.

**HOTEL RESERVATIONS** — The SCCACS has arranged for a block of rooms at the Four Seasons Biltmore Resort in Santa Barbara at special discounted room rates. The rate is \$350 per night, plus taxes for single/double. Rooms at this rate are available until the block of rooms is sold out or December 20, 2011, whichever occurs first. After that date, rooms and rates are subject to availability. Cancellations are subject to forfeiture of one-night deposit if cancelled less than 72 hours in advance. Call Four Seasons Biltmore Resort Reservations directly at 805.969.2261 and ask for SCCACS rate.

**Kids for All Seasons Program.** The hotel offers this program during the Chapter Annual Meeting. Parents can attend meetings while the kids take part in programmed activities offered throughout the day on Friday and Saturday of the Conference. Participation is without charge on Saturday, during the day. There is a participation fee per child, plus the cost of meals for participation Friday or for participation in Night at the Movies, Saturday evening. Contact the hotel concierge for additional information about the program, fees and to make reservations.

## 2012 ANNUAL SCIENTIFIC MEETING SOUTHERN CALIFORNIA CHAPTER OF THE AMERICAN COLLEGE OF SURGEONS January 20-22, 2012 • Santa Barbara, California

November 2011

Dear Colleagues and Friends,

We cordially invite you to attend the Annual Scientific Meeting of the Southern California Chapter of the American College of Surgeons. This year the meeting will be held at the Four Seasons Biltmore Resort in Santa Barbara, California, January 20-22, 2012. Located on the coast south of downtown Santa Barbara, the Biltmore Resort is rated as one of the top resorts in California. We are looking forward to our return to this outstanding facility.

An outstanding program has been planned with an impressive program of presentations. Registered participants will be able to attend any of the sessions that are of specific interest. There are 43 paper presentations and 20 posters in the general sessions focusing on topics that will be of interest to most surgeons including a number of papers and topics of specific interest to trauma surgeons. In addition, we are continuing to offer a Trauma Specialty Section session to continue that focus from recent meetings. This year we have continued a Breast Surgery Specialty Section, as well. The General Surgery Section meeting will focus on Endocrine topics an area we have not visited in a while. There also are five other specialty section meetings which will have a combination of papers and presentations on focused topics in each surgical specialty.

A number of special events will highlight this year's meeting. The *"What's New in Surgery"* sessions, always a popular aspect of this meeting, will be held on Saturday morning. The *Welcome Cocktail Reception* which has become our most popular social event, will be held Friday evening. We will offer a *Wine and Cheese Reception* on Saturday evening. All poster sessions will be oral, rapid fire presentations instead of poster display board presentations. Continental breakfast is offered each morning before sessions begin. There is a lunch with exhibitors on Friday along with additional oral poster presentations and again on Saturday to offer a more informal atmosphere.

A breakfast with the faculty designed for Young Surgeons (under age 45) will be held on Saturday morning to discuss issues concerning the future practice of surgery. The *Young Surgeons Committee* will be putting on the annual *JEOPARDY Resident Competition* on Saturday afternoon — come root for your institution. A special lunch session for *Women in Surgery* will be held Saturday, as well. The *Commission on Cancer Hospital Representatives* will hold a breakfast meeting on Sunday morning as will the *Committee on Trauma*.

The reasonably priced registration fees (**EARLY BIRD DISCOUNT DEADLINE IS DECEMBER 31, 2011**) and the below market room prices to stay at the Biltmore Resort should further encourage you to attend and participate in this outstanding meeting with your family and colleagues. Please make your room reservations as soon as possible. The hotel's reservation deadline of December 20, 2011 should be observed in order to assure your accommodations.

We look forward to seeing you in beautiful Santa Barbara.  
Sincerely yours,

H. Gill Cryer, MD, FACS  
President  
Southern California Chapter ACS
