2023 ANNUAL SCIENTIFIC MEETING

SOUTHERN CALIFORNIA CHAPTER OF THE AMERICAN COLLEGE OF SURGEONS
JANUARY 20-22, 2023 • THE RITZ-CARLTON BACARA • SANTA BARBARA, CALIFORNIA

November 2022

Dear Colleagues and Friends,

We cordially invite you to attend the Annual Scientific Meeting of the Southern California Chapter of the American College of Surgeons at The Ritz-Carlton Bacara in Santa Barbara, California, January 20-22, 2023. Tucked onto 78 acres overlooking the Pacific, the magnificent Ritz-Carlton Bacara combines the appeal of a coastal city with the beauty of its natural surroundings. We're thrilled to be meeting in person once again. We hope you can join us for what promises to be an excellent, educational event.

The outstanding agenda kicks off with 35 paper presentations and 12 mini-podium presentations that focus on topics of interest to most surgeons, as well as papers that hone in on areas of surgical specialty, including minimally invasive surgery, bariatric surgery, vascular surgery, trauma surgery, pediatric surgery, colorectal surgery, surgical oncology and trauma surgery.

Attendees are then invited to take a deeper dive into their specialties during in-depth **Specialty Sessions** that include a combination of papers and presentations on focused topics in each surgical specialty. This year, Specialty Session meetings will include **Pediatric Surgery, Cardiothoracic and Vascular Surgery, MIS/General Surgery, Trauma Surgery, Surgical Oncology, Colorectal Surgery, Hepatobiliary (HPB)** and **Bariatric/Metabolic Surgery**.

A number of popular annual events are back for this meeting. Highlights include the **"Challenging Dilemmas in General Surgery"** which will be held Friday afternoon, followed by the **Welcome Cocktail Reception**. Saturday's agenda includes the **"Young Surgeons Breakfast,"** the **"Women in Surgery Luncheon,"** and the ever-lively **"Battle of the Blades"** and **"Resident Surgical Jeopardy"** competitions. At the end of the day Saturday, please join your fellow #social surgeons for a relaxing **Wine and Cheese Reception**.

New to the Saturday line-up this year is a special session on **"Practice Management"** as well as a special panel on **"Striving for Longevity in a Surgical Career"** addressing work life balance, institutional expectations, career possibilities outside of surgery, and surgical ergonomics. The SCCACS is proud to offer this new meeting component because we know that supporting the success of soon-to-be and new surgeons strengthens the future of all surgical specialties. Also on Saturday is a special **"How Do They Do It?"** video session – this will be a series of 5 different difficult cases presented by video.

As always, the SCCACS has worked hard to negotiate affordable hotel and registration fees (**EARLY BIRD rates expire December 16, 2022**) to encourage meeting attendance. We sincerely hope you and your colleagues will make plans to attend.

We look forward to seeing you in beautiful Santa Barbara.

Sincerely yours,

CONFERENCE INFORMATION

OBJECTIVES

This program is designed for practicing surgeons involved in the care of patients. It is meant to provide Accredited Continuing Education (formerly "CME") regarding treatment in general and sub-specialty surgical practice and to enhance the knowledge of participants in these areas. The program is intended to meet the needs of surgeons in clinical practice for up-to-date information on the latest techniques in general and specialty surgical areas and to provide a means for surgical students and researchers to report the results of their research.

ACCREDITATION

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Surgeons designates this live activity for a maximum of **18.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC - SELF-ASSESSMENT

Of the **AMA PRA Category 1 Credits™** listed above, a maximum of **8.75 credits** meet the requirements for Self Assessment.

DISCLOSURE

In compliance with ACCME Accreditation Criteria, the American College of Surgeons, as the accredited provider of this activity, must ensure that anyone in a position to control the content of the educational activity has disclosed all relevant financial relationships with any commercial interest. All reported conflicts are identified and mitigated by a designated official to ensure a bias-free presentation. Please see the insert to this program for the complete disclosure list.

MEETING INFORMATION

Register online at WWW.SOCALSURGEONS.ORG or complete the enclosed registration form and mail or fax to: SCCACS, 2512 Artesia Boulevard, Suite 200, Redondo Beach, CA 90278. Call 310.379.8261 for more information; fax to 310.379.8283; or email to: info@SoCalSurgeons.org.

Registration form and payment in full must be received by December 16, 2022, to qualify for the Early Bird registration fees. Registration forms received after December 16, 2022, will automatically be charged the higher late fee. All participants, authors and presenters attending the meeting must register. Programs and name badges will be distributed on site.

HOTEL RESERVATIONS

The SCCACS has arranged for a block of rooms at The Ritz-Carlton Bacara in Santa Barbara at special discounted rates. The rate is \$389 per night, plus taxes and fees. There is a \$20 resort fee (discounted from \$50) that will be applied. Rooms at this rate are available until the block of rooms is sold out or December 16, 2022— whichever occurs first. After that date or when block is sold out, rooms and rates are subject to availability.

Register online (find the hotel link on www.SoCalSurgeons.org) or call Ritz-Carlton Bacara, Santa Barbara Reservations at (800) 542-8680 or the hotel directly (805) 968-0100 and ask for the SCCACS rate. The block sells out quickly! Pre/post dates are subject to availability and rates. You may need to call to request pre/post dates or for any other specific requests.
