

Quick Youth Indicators for Trafficking

<https://pubmed.ncbi.nlm.nih.gov/26599463/>

This tool is intended for youth screening of both sex and labor trafficking.

1. It is not uncommon for people to stay in work situations that are risky or even dangerous, simply because they have no other options. Have you ever worked, or done other things, in a place that made you feel scared or unsafe?
2. In thinking back over your past experiences, have you ever been tricked or forced into doing any kind of work that you did not want to do?
3. Sometimes people are prevented from leaving an unfair or unsafe work situation by their employers. Have you ever been afraid to leave or quit a work situation due to fears of violence or threats of harm to yourself or your family?
4. Some employers think that in exchange for the work their employees do, they can pay them in other ways even though they've never gotten their permission. Has someone you worked for ever controlled the money you earned, or kept money you earned in exchange for transportation, food, or rent without your consent?
5. Sometimes young people who are homeless or who are having difficulties with their families have very few options to survive or fulfill their basic needs, such as food and shelter. Have you ever received anything in exchange for sex (e.g.: a place to stay, gifts, or food)?
